

Dear Prospective Member,

Thank you for seeking more information on establishing a Healing Room in your area. The vision is to see Healing Rooms set in around the world. Our goal is to establish uniformity and accountability in each work by offering, through the International Association of Healing Rooms, the tools to properly equip each Healing Room.

To be a recognized and certified Healing Room listed on our web site you must join the IAHR or the National IAHR office in your country. Membership in IAHR assures uniformity in the model of operation the Lord has given us and helps make Healing Rooms a safe place for those needing healing.

Every Healing Room must be Christ centered and committed to unity in the body of Christ.

It is our heart that you follow the model God has given us as closely as possible. In order to achieve this we would like you to receive training in one of the following ways:

- Attend training at the International Headquarters in Spokane, WA.
 - Receive training from one of our National, Regional, or State Directors.
 - Watch our DVDs and then observe at the International Headquarters in Spokane or at one of our National, Regional or State Directors locations.
- You will also need to set up an interview with your IAHR leadership.

If you would like to become a member, please complete the director's questionnaire as well as the application and send it in with your membership fee. In addition, we also need a letter of recommendation and a statement of faith to establish accountability and integrity in your ministry.

Sincerely,

Rev. Elaine Perkins and Revs. Mark & Pam Walker
Associate Directors - International Association of Healing Rooms
