INTERNATIONAL
ASSOCIATION
of HEALING
ROOMS

2015 World Doctors Conference

*Spokane, Washington
USA*

We are an International Association of Healing Rooms based in nations and cities with a common vision to establish healing within churches, businesses and institutions. Our commission is based on Mark 16:17-18 "And these signs shall follow those that believe... they shall lay hands on the sick, and they shall recover."

The vision is to see Healing Rooms established around the world. Our goal is to build uniformity and accountability throughout our association, properly equipping each location and individual.
